Haviland-Scott School Song

There are no young dudes at Haviland,
Who consider they are blest
With a little more intelligence
Or money than the rest.
But we all stand on the level
And we hustle side by side,
Plodding up the hill of knowledge
Bound to win whate'er betide.

Yes, we're all alive at Haviland,
And we're working with our might
To develop every talent,
As the goal we keep in sight.
We invite you to come with us,
Do your best, and you will find
When you hear the final summon,
Some one else will be behind.

Then hurrah, hurrah, for Haviland
She is always up to date.
In her service to humanity
She has no time to wait.
So put on your working harness
And be busy with your mind.
For you've got to keep a moving,
Or you'll tag along behind.

Dedication

We, the Senior Class of 1952, wish to dedicate this issue of the "Havilook" to our parents, who have willingly stood by us through victory, defeat, trials, and temptations. We wish to take this opportunity to thank you, although we never can repay all that you have done for us.

OUR HELPERS

In years past, the spotlight has been centered on the faculty and the student body. This year we want to center the spotlight on the persons that are in the background. They have a very important part in keeping our school healthy, happy, and one of which we are proud.

OUR COOKS: Bessie Hartwig, Effie Keith, Nellie Cavey.

Mary Lau Adams, office secretary; Joshua Yah, janitor; Charles Kohn, school bus mechanic; Mrs. Winders, bus driver. The other bus drivers are Mr. Jay, Mr. Shand, Mr. Scarbrough, Mr. Sylvester.

Class History

My, what a great but terrifying event that was back in 1940 when, as first graders, we first entered the Haviland-Scott School. But we soon forgot to be afraid as we made new friends with our classmates and teachers. We advanced through the lower grades under the kind guidance of Mrs. Gantt, Miss Bidlack, Mrs. Fost, Mrs. Ptak, and Mr. Jenkins.

Finally the day arrived when we found ourselves freshmen. Mr. Sherer was chosen our advisor; Louise Gudakunst, President; George Jenkins, Vice President; and Ruth Stoller, Secretary and Treasurer. Then before we knew it, we were sophomores. Mr. Sherer was again with us while George Jenkins was elected President; Le Roy Shaw, Vice President; and Dorothy Funk, Secretary and Treasurer.

Now we were next best to seniors, we thought as we entered our junior year. As juniors, we were faced with many problems such as managing the candy stand, presenting "Junior Mister," and taking the seniors to Washington, D. C.; but thanks to the wonderful supervision of Mrs. Ensign and our officers, Robert Laukhuf, President; Janet Mohr, Vice President; and Patty Stoller, Secretary and Treasurer, we managed very well.

At last we had reached our goal. But as we inherited the name of Seniors, we also inherited many responsibilities. We decided to edit this volume of "Havilook" and also to present "The Darling Brats." We wish to thank Mr. Ensign for his guidance in editing this annual, and also Mrs. Ensign for being so very kind in helping us with our plays and other class problems. This year Louise Gudakunst was elected President; Raymond Daniels, Vice President; and Barbara Brian, Secretary and Treasurer. And now as we 18 Seniors of "52" face the Baccalureate and Commencement season, we can't help but recall all of the pleasures and companionships that we have known here at Haviland-Scott. Another high school era has come to a close, and we, the graduates, can face the future knowing that the time we have spent here at Haviland-Scott has not been in vain but will help us to be better citizens in the future.

Class Officers

Barbara Brian—Secretary-Treasurer

Raymond Daniel—Vice-President

Louise Gudakunst—President

Class Motto: "With The Ropes of the Past We Will Ring the Bells of the Future."

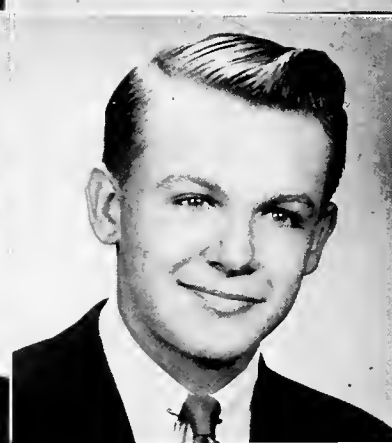

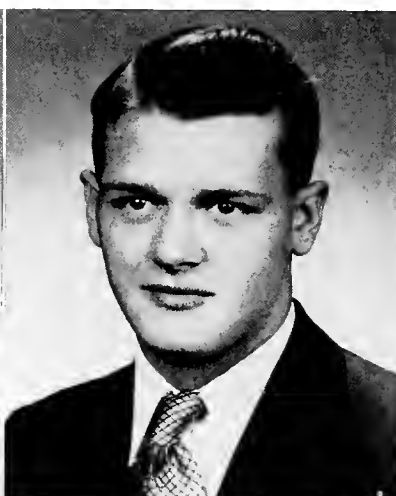

Class Flower: Pink Carnation. Class Colors: Maroon and White.

CLASS POEM

One word holds a magic charm,
One word fascinates;
It might be Seniors—and again,
It might be—Graduates.

Years of work rewarded us,
And gave us this fair name;
Upon our brow it glows and burns
With glowing, purple flame.

The following pages were taken from the diary of the old maid Superintendent of Haviland-Scott School, Miss M. L. Dangler, who became famous with the publication of the novel HOW TO MAKE MARRIAGE WORK:

June 5, 1973

Dear Diary,

While looking over the past record today of the old alumni of school, I ran across some of my former classmates' folders. I immediately wondered what they were doing today. So inquiring around, I discovered that Dorothy Funk is a Colonel in the Air Force. Of course, that brought to mind how she was always begging her dad to let her join.

Was I ever surprised to hear Barbara Brian is playing Jazzy Piano in the Copa Cabana Club in New York! Also on the bill is another one of my former classmates, Le Roy Shaw. He's billed as the "Velvet Frog." It is said he is the newest singing sensation of the country.

Then I remembered Patty Stoller was bookkeeper for President Laukhuf, who received the election by a landslide because of the tricks he learned in government class. While I'm on the subject of politics, I must not forget Senator Radabaugh of Ohio. The three of them together really keep Washington up to date.

Well, diary, since I have some business to attend to, I'll say — Good-Night. Of course I know how interested you must be about my old classmates so I'll continue tomorrow.

June 6, 1973

Dear Diary,

Well, here I am again with some more news. I'm sure you know about Lyle Stoller, who since he has taken over the Tile Factory has caused the population of Haviland to increase from 222 to 2,222,222. And there is Gene Davis, who has run Standard Oil out of business with his Davis Oil Stations. I think he has over a million. I must say he has prospered.

Oh, I almost forgot the new hospital here in Hiviland, famous for its well known dietitian, Janet Mohr. Ethelyn Tarlton and Colleen Keysor have added to the popularity of it with their invention of the needleless shot. I can't imagine where they got their inspiration.

Rev. Raymond Daniel, Jr. is the pastor of the Methodist church here in Haviland. It is one of the largest in the country. At the present, it seats over 1,000,000, but the Reverend still has hopes of increasing it.

Well, Diary, another night has rolled around so I'll close, but I'll try to finish the rest of the facts on my former classmates tomorrow. Good-Night.

June 7, 1973

Dear Diary,

Just got back from having my hair fixed, and who do you think fixed it? No one but Louise Gudakunst. I didn't know she ran a beauty shop, but I guess she doesn't have much time for customers after she finishes with her children. My, I counted 20 while I was there. Diary, do you know why I had my hair fixed? Well, I'll tell you. I saw George Jenkins and Bob Gunderman. And do you know what?? They are bachelors. They live together on their 500,000 acre farm. Maybe, I, and I hope I can, change their minds about staying bachelors.

Well, Diary, last but not least are Elizabeth Cavinder and Mary Lou Harris. The last I heard of them they were out in Hollywood and had just married — Lib to the father and Mary Lou to his son. Maybe they could use a copy of my book.

I guess that finishes all the gossip I know about my classmates, but, as you see, a number of them have stayed right here in dear old Haviland.

GOOD-NIGHT.

Class Will

We, the senior class of Haviland-Scott School, being in full possession of such mental facilities as we possess or claim to possess, do hereby bequeath our various earthly possessions and all the gadgets thereunto belonging to us to the enfeebled intellects of our successors, to be held by them or thrown away just as they wish.

To the faculty we wish to leave our most sincere thanks and appreciation for the guidance which they have given us during our school years. In the future, we hope them to have reason to be proud of us.

Ray Daniel wills his ability to misspell more words in a theme than anyone else possibly could to Benny Leeth.

Ethelyn Tarlton wills her ability to get an oversized ring to Maxine Pond.

Janet Mohr would like to will her ability (or whatever you call it) to draw pretty figures in geometry to Mr. Jay (?????)

Gene Davis wills his Remedial English pad to Royal Hofacker.

Barbara Brian thinks she ought to will her ability to play basketball to Kenny Zimmerman. (Make good use of it, Kenny.)

Dorothy Funk wills her ability to loaf in the office to the next Havilook editor.

Bob Gunderman wills his ability to have three wrecks in less than six months to anyone who is lucky enough and can get away with it.

Bob Laukhuf wills his ability to go straight home after basketball practice to Bud Decker.

Calleen Keysor wills her ability to make a speech to Dick Rager. (Dick, if I were you I'd take it, because the rate you and Joan are going, you will need it in a couple of years.)

Louise Gudakunst wills her ability to play cat and mouse in bookkeeping and always win to Mort Myers.

Lyle Stoller wills his ability not to study American History and get to take the state test to Phidela Lehman.

Dorothy Radabaugh wills her ability to raid the candy stand and not get caught to Larry Finnegan.

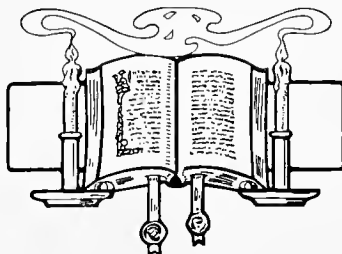

Mary Lou Harris wills the 200 questions on the semester quiz in bookkeeping to Mr. Sylvester.

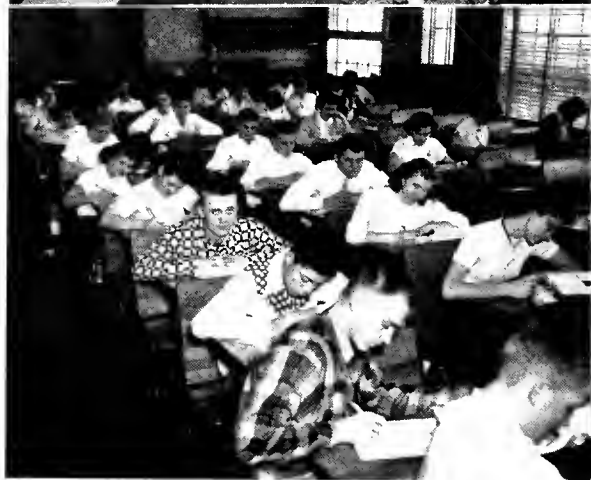

Elizabeth Cavinder wills her Royal typewriter to anyone dumb enough to take second year typing.

Patty Stoller wills her ability to stick to a diet to Lou Ann Rhinehalt. Gee, I wonder if there could be a misprint here???

Mary Lou Dangler wills her good fortune of getting an offer to go to Hawaii from a certain party to the next one in line. (Take it, it isn't everyday you get an offer like that.)

LeRoy Shaw wishes to will his ability to get on the honor roll his last year to Jerry Leeth. Work hard and you may do it, Jerry.

Cynthia Darling, who supports her young orphan sisters and brother, is greatly perturbed because Aunt Agatha, a comely young widow, lavishes expensive gifts upon them and is spoiling them. Cynthia determines to get Agatha's influence away from the Darling children—who, by the way, are far from darling—they are perfect little hellions!—by marrying her off to Cynthia's boss, Appleton Crabb, an irascible old bachelor. Agatha is romantically interested in John Henry Judd, an impoverished cowboy-rancher, with whom she corresponds but hasn't seen since childhood. Tess also is determined her aunt shall marry the wealthy Crabb, and she inveigles Spike, her boy friend, to masquerade as Judd and cut such wild western capers that Agatha's infatuation for Judd is instantly squashed! But young Hank and Babs are equally determined Aunt Agatha shall marry the cowboy because they are crazy to live on his Arizona ranch. The tricks these two brats play upon Crabb and Agatha in order to make them hate each other keep the audience screaming with mirth.

What is the whole duty of a pair of pretty daughters of a beautiful mother when the family funds run low? Obviously to help mamma catch a rich husband and save the family from the poorhouse. At least that is what Dotty and Daffy conceive their duty to be. So when Mamma Phyllis returns from Florida with a supposedly wealthy widower in tow, they gladly consent to disguise themselves as little girls, so that the suitor may be deceived into believing that mamma is eleven years younger than she is. Their fiancées, however, a resourceful pair of brothers, incensed to see that Mamma Phyllis is jilting their absent uncle, who has long been in love with her, threaten to queer her game by dressing up as little boys and presenting themselves to the visiting suitor as her twin sons. But the arrival of the jilted uncle straightens out the wild tangle of Mamma Phyllis' love affairs.

National Honor Society

The Haviland-Scott Chapter of the National Honor Society was first organized last year to create an enthusiasm for scholarship. The officers this year are President, Janet Mahr; Vice-President, Patty Stoller; and Secretary, Dorothy Funk.

Each year following the end of the first semester, the high school faculty elects the students for candidacy on the basis of scholarship, character, leadership, and service. At that time Sophomores may be elected as probationary members. They are permitted to vote but may not wear the pin until they become full members. If a member's grades drop or if he falls below one of these standards he is required to return his pin and is dismissed from the society.

In the chapel program to install the new and probationary members, a candle light ceremony was held. One senior and eight juniors were pledged into the society, and received their pins. At this time four sophomores were qualified as probationary members. The ceremony was presented by the previous senior members along with a guest speaker. The pins, which are given each year by the Community Club, were presented by the club's president, Mrs. Harry Gunderman.

The Community Club

The community club, an organization of sixty members made up of the women of our community, not only has social events for itself to enjoy, but takes an active interest in providing financial aid of our school. The club sponsors our Athletic banquet by preparing and serving the meal. Each Christmas a tree is bought for the school and many gifts for the needy families. Also on the list is the fine work of recognizing the scholastic ability of the students by furnishing the pins for the National Honor Society.

We, the Staff of Havilook, wish to take this opportunity to thank the Club for the help it furnishes the school and others. We are sure it is the wish of the rest of the student body to thank you also.

Our musical organizations took a very active part in making our school very enjoyable this year. The music groups under the able direction of Mr. Shand, entertained at the Farmers' Institute and at Chapel Programs. The three large groups, Mixed Chorus, Girls Glee Club, and Boys Glee Club are taking part in the District Music Contest at Ada, and the Girls Triple Trio competed in the Ensemble Contest which was held at Lima this year. They received a superior rating there and also a superior rating in the State Contest).

Our most thrilling experience was Mrs. Pfeiffer's invitation to come to Station WFRD at Worthington to broadcast a half hour program for the opening of the new radio station. We first gave a chapel program at Otterbein College (Mr. Shand's ALMA MATER) in the morning. The rest of the forenoon was spent touring the campus, and then after dinner we went on over to the radio station. We had a wonderful day.

Music requires very hard work. The students in the different groups realize that perfection comes only when there is cooperation, patience, and concentration. The time in the year when we need perfection most is at District Contest. Last year our Mixed Chorus won a superior rating at Ada, and received an excellent rating at the state contest at Springfield. This year we received a superior rating in the District Contest. We hope that our music groups will keep up this very fine record.

We wish to thank Mr. Shand and those who make it possible for this music training.

Our Convention At Washington, D. C.

BACK ROW: Russel Stoller, Bob Laukhuf, Ray Daniel, Jahn Fast, Harald Wenniger, Lyle Staller, Delares Keysor, Glaria Springer, Miss Elsie Daubert, Mr. Ensign, Mrs. Ensign, George Jenkins, Janet Mahr, Betty Fin-negan, Alice Williamsan, Gerald Laukhuf, Bob Gunderman, Russel Staller. FRONT ROW: Eleanor Hoaglin, Calleen Keysar, Barbara Brian, Jean Griffis, Lib Cavinder, Jay Mae Rhinehalt, Dorothy Funk, Glaria Steibling, Ireta Decker, Louise Gudakunst, Mary Lau Dangler, Datty Radabaugh, Patty Staller, Ethelyn Tarltan.

Last year we sponsored the Junior and Senior trip to Washington, D. C. Twenty-nine students and three advisors left Haviland on May 27. Two of the highlights on the way were the Pennsylvania turnpike and Gettysburg. We stayed at the Ebbit Hotel which was midway between the Capitol and the White House. Some of the highlights of our trip were Mount Vernon, Arlington Cemetery, National Airport, Capitol, Bureau of Printing and Engraving, F.B.I. Building, Smithsonian Institute, Library of Congress, Lincoln's and Jefferson's Memorials, Washington's Monument, and a moonlight cruise down the Potomac. (Who were with the Dresdon boys??) After two enjoyable days and nights, we returned home very tired and weary. However, we might have arrived home sooner if we hadn't run out of gas!!!
